**SIFE LOVE!!**

## SIFE NEWS:

Hello lovely SIFers!

Lots of amazing things have been happening in the past few weeks!

**FinLit:** SIFE Carleton held their first FinLit workshop at Pathways on Wednesday November 23rd! They remade the "Game of Life" with a Financial Literacy twist. Their game was based on saving, loans and success skills! Around 20 students attended the workshop. The FinLit team will continue their partnership with Pathways for the remainder of the year.

**Entrepreneurship:** What an amazing event! Bringing together both high school and university students and pairing them up with local entrepreneurs to learn from one another proved to be an inspirational evening. Our guest speaker Manjit Basi provided our attendees with her story and some great pieces of advice:

**PASSION!** A huge thanks goes out to the Heart and Crown in the market and to the team who planned this event. Anyone interested in becoming a part of this team in the New Year should contact Victoria.

**LCH:** SIFE Carleton Let's Can Hunger team held the first part of a successful canned food drive in partnership with Metro Glebe and the Carleton Ravens athletics teams. On the weekend of November 19th and 20th we rallied up some athletes and a lot of red bandanas and raised over 2,000 cans. The second part of this event is taking place December 2nd and 3rd and we need your help! Looking for volunteers to be loud and proud of the cause, contact Aastha, Prutha, or Victoria if you'd like to help out. While this event focuses on urgent hunger relief, a HUGE emphasis will be placed upon lasting hunger relief in the New Year starting with Hunger Awareness Week beginning January 30th.

**ICC:** Although the team is busy planning their next workshop for December 11th they still had time to partner up with LCH. In a LCH Blitz that took place on a dreary

Sunday afternoon, the ICC teams competed against one another to raise as many cans and monetary funds as possible while gaining volunteer hours. Although it was a close competition West Carleton emerged as the leader, in total all the teams raised 1,547 Cans and \$344. Great job everyone!
