October 24th newsletter

Hello lovely SIFERs, Midterm season is just about over!! This is great because we have many awesome events coming up that you need to be a part of!

On October 31st the Let's Can Hunger team is partnering up with other associations across campus to raise money and cans in a door-to-door blitz called Trick or Eat. This is an effort to help raise urgent awareness of hunger issues here in Ottawa. Details to follow but if anyone is available to help volunteer for a few hours that evening it would really be appreciated. Costumes are a must!

Thursday November 17th will be SIFE Carleton's Night of Entrepreneurs, bringing together students and entrepreneurs from across Ottawa. This is a great opportunity for those starting their own business or those wanting to learn more about entrepreneurship. This event will provide a glimpse into the world of entrepreneurship and what's available for the entrepreneurs of tomorrow. Come be inspired by guest speakers and other successful entrepreneurs. The event will be held at the Heart and Crown in the market and will begin

at 6pm. Tickets will be available in the coming weeks, so get them while they're HOT!

Friday November 18th is the Carleton Ravens Men's Basketball team home opener. In collaboration with Metro Glebe and the Ravens, the Let's Can Hunger team needs your help to raise hunger awareness to these sports fans. YOU have the opportunity to help out with an amazing cause, get media recognition, and win prizes, maybe even free tuition!!!!!! Look out for the details across campus soon!

IC Change and FinLit are also working hard at creating their first workshops for their students at the beginning of November. Pictures of these workshops will be up on the website for you all to check out.

IC Change is still looking for a position to be filled! An event co-ordinator!! If you love planning social gatherings and meeting awesome individuals, knowing that you are helping amazing high school students show off their projects to the community then this position is for you. Contact Anh at anh.la@sifecarleton.com

And finally, we would like to congratulate the ICC team for winning the accelerating entrepreneurship action grant.

Keep steadily before you the fact that all true success depends at last upon yourself.

Theodore T. Hunger
